Catalog of Copyright Entries Library of Congress. Copyright Office, 1970 *My World Of Islands* Leslie Thomas, 2011-02-08 Leslie Thomas's odyssey is a vivid personal account of the most fascinating islands at the furthest reaches of the globe to islands as distant and diverse as Saint Pierre et Miquelon off Newfoundland and Great Barrier Island off New Zealand and to places more familiar by name including Nantucket Fair Isle Tahiti and Capri this journey voyages to the world's smaller places Descriptive evocative and liberally sprinkled with anecdotes the book weaves together a tapestry of impressions Beachcombing for local legends geography colonial history and maritime lore Thomas's search for the mystique of these islands gives the reader a unique insight into an extraordinary and beautiful world of islands *My World of Islands* reads as a paean to a past age a reminder that the entire world has not yet been reduced to Frejus or Marbella Times Literary Supplement The Encyclopaedia Britannica Hugh Chisholm, 1910 This eleventh edition was developed during the encyclopaedia's transition from a British to an American publication Some of its articles were written by the best known scholars of the time and it is considered to be a landmark encyclopaedia for scholarship and literary style **The Encyclopædia Britannica** Hugh Chisholm, 1910 The Encyclopædia Britannica , 1910 The Encyclopaedia Britannica , 1910 **Rain Stops Play** Andrew Hignell, 2013-01-11 A geographical history of cricket in England and Wales in a global context Rapport du Comité consultatif , 1909 *Princeton Alumni Weekly* , 1909 The Encyclopædia Britannica: Constantine Pavlovich-Demidov , 1910 Germania Anthony Gordon Pilla, 2021-12-09 *Germania Hitler's Twisted Fantasy* By Anthony Gordon Pilla In this what if fictional tale of Hitler's world we see in his neurotic mind the conflict of Evil versus Good In his sleep he takes us on a journey in which his twisted fantasy will reveal thoughts of World War II events such as the 1936 Berlin Olympics Lebenstraum Oktoberfest Blitzkrieg Operation Barbarossa Lindbergh Hitler Connection the Jewish Exodus Plan the Pacific Summit World Government and Germania Good Life **East Asia Beyond the History Wars** Tessa Morris-Suzuki, 2013 East Asia is now the world's economic powerhouse but ghosts of history continue to trouble relations between the key countries of the region particularly between Japan China and the two Koreas Unhappy legacies of Japan's military expansion in pre war Asia prompt on going calls for apologies while conflicts over ownership of cultural heritage cause friction between China and Korea and no peace treaty has ever been signed to conclude the Korean War For over a decade the region's governments and non government groups have sought to confront the ghosts of the past by developing paths to reconciliation Focusing particularly on popular culture and grassroots action East Asia beyond the History Wars explores these East Asian approaches to historical reconciliation This book examines how Korean historians from North and South exchange ideas about national history how Chinese film makers reframe their views of the war with Japan and how Japanese social activists develop grassroots reconciliation projects with counterparts from Korea and elsewhere As the volume's studies of museums monuments and memorials show East Asian public images of modern history are changing but

change is fragile and uncertain This unfinished story of East Asia's search for historical reconciliation has important implications for the study of popular memory worldwide Presenting a fresh perspective on reconciliation which draws on both history and cultural studies this book will be welcomed by students and scholars working in the fields of Asian history Asian culture and society as well as those interested in war and memory studies more generally *The Oxford English Dictionary*, 1989 **Problem solving activities in post-editing and translation from scratch** Jean Nitzke, 2019

Companies and organisations are increasingly using machine translation to improve efficiency and cost effectiveness and then edit the machine translated output to create a fluent text that adheres to given text conventions This procedure is known as post editing Translation and post editing can often be categorised as problem solving activities When the translation of a source text unit is not immediately obvious to the translator or in other words if there is a hurdle between the source item and the target item the translation process can be considered problematic Conversely if there is no hurdle between the source and target texts the translation process can be considered a task solving activity and not a problem solving activity This study investigates whether machine translated output influences problem solving effort in internet research syntax and other problem indicators and whether the effort can be linked to expertise A total of 24 translators twelve professionals and twelve semi professionals produced translations from scratch from English into German and monolingually post edited machine translation output for this study The study is part of the CRITT TPR DB database The translation and monolingual post editing sessions were recorded with an eye tracker and a keylogging program The participants were all given the same six texts two texts per task Different approaches were used to identify problematic translation units First internet research behaviour was considered as research is a distinct indicator of problematic translation units Then the focus was placed on syntactical structures in the MT output that do not adhere to the rules of the target language as I assumed that they would cause problems in the monolingual post editing tasks that would not occur in the translation from scratch task Finally problem indicators were identified via different parameters like Munit which indicates how often the participants created and modified one translation unit or the inefficiency InEff value of translation units i.e. the number of produced and deleted tokens divided by the final length of the translation Finally the study highlights how these parameters can be used to identify problems in the translation process data using mere keylogging data

Red Mitten Nationalism Estée Fresco, 2022-12-15 When Canada hosted the 1976 Montreal Olympics few Canadian spectators waved flags in the stands By 2010 in the run up to the Vancouver Olympics thousands of Canadians wore red mittens with white maple leaves on the palms In doing so they turned their hands into miniature flags that flew with even a casual wave Red Mitten Nationalism investigates this shift in Canadians displays of patriotism by exploring how common understandings of Canadian history and identity are shaped at the intersection of sport commercialism and nationalism Through case studies of recent Canadian hosted Olympic and Commonwealth Games Estée Fresco argues that representations of Indigenous Peoples cultures are central to the way everyday Canadians corporations and sport organizations remember the past and understand the present Corporate sponsors and games organizers highlight selective ideas about the nation's identity and unacknowledged truths about the history and persistence of Settler colonialism in Canada haunt the commercial and cultural features of these sporting events Commodities that represent the nation from disposable trinkets to carefully curated objects of nostalgia are not uncomplicated symbols of national pride but rather reminders that Canada is built on Indigenous land and Settlers profit from its natural resources Red Mitten Nationalism challenges readers to re-evaluate how Canadians use sport and commercial practices to express their patriotism and to understand the impact of this expression on the current state of Indigenous Settler relations

Sport and National Identity in the Post-War World Dilwyn Porter, Adrian Smith, 2013-04-15 This book provides a broad range of international case studies to examine how sport has helped to shape national identities and how national cultures have shaped sport
