The 1980s Countdown To Armageddon

Nur Masalha

The 1980s Countdown To Armageddon:

The 1980's Hal Lindsey,1981 Countdown to Armageddon Hal Lindsey,1983-06-01 **Arguing the Apocalypse** Stephen D. O'Leary,1998-08-20 Apocalyptic expectations of Armageddon and a New Age have been a fixture of the American cultural landscape for centuries With the approach of the year 2000 such millennial visions seem once again to be increasing in popularity Stephen O Leary sheds new light on the age old phenomenon of the End of the Age by proposing a rhetorical explanation for the appeal of millennialism Using examples of apocalyptic argument from ancient to modern times O Leary identifies the recurring patterns in apocalyptic texts and movements and shows how and why the Christian Apocalypse has been used to support a variety of political stances and programs The book concludes with a critical review of the recent appearances of doomsday scenarios in our politics and culture and a meditation on the significance of the Apocalypse in the nuclear age *Arguing the Apocalypse* is the most thorough examination of its subject to date a study of a neglected chapter of our religious and cultural history a guide to the politics of Armageddon and a map of millennial consciousness *The 1980's, Countdown to Armageddon* Hal Lindsey,1982 **Stalking the Antichrists (1965-2012) Volume 2** George E. Lowe,2013-12-16 Volume 1 of *Stalking the Antichrists and Their False Nuclear Prophets Nuclear Gladiators and Spirit Warriors* 1940 1965 is essentially an enhanced memoir It is based for the most part on my personal observations and knowledge and specialized information from my academic studies of history political science and literature at Grove City College and the University of Chicago as well as my professional insights into the heart of the U S Navy 1953 1957 1960 1961 OP 09D as an Air Intelligence Officer in Hawaii and Japan and the Pentagon political military counsellor assignments in the State Department as a Foreign Service Officer FSO 6 at the American embassy in Paris 1962 64 and a speechwriter in the Navy Department 1965 In volume 2 the textual narrative begins with the end of my specific actions activities in the Navy and Foreign Service in July 1965 which I have called *How I Lived in History 1950 1965* In retrospect my entire Navy career from my commissioning as Ensign USNR 1355 AIO in early September 1953 at Naval Station Newport Rhode Island to my first honorable discharge at Treasure Island on August 27 1957 was in preparation to an understanding of World War II and the Cold War When Time Shall Be No More Paul Boyer,1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood *When Time Shall Be No More* offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture *Stalking the Antichrists (1940-1965) Volume 1* George E. Lowe,2013-02-22 It is based on the inspiring definitions of the word introduction 1651 My actions of bringing in a newly weapon since August 1945 brought into the world and to its process of the application in war and with an in depth initiation in the knowledge of elementary instruction regarding Deterrents and Deterrence thereof which leads to the knowledge or understanding of the impact of both fission and fusion nuclear weapons on war politics foreign policy strategy and the fate of the Earth Gaia Gods Creation

thanks to my insights gained personally at Grove City College the University of Chicago U S Navy Air Intelligence Officer and State Department Foreign Service Officer and herewith presented as my introduction to the formal introduction of my halting but determined attempts to deter a thermonuclear World War III and Armageddon too 1945 2012 Modified from Introduction Shorter Oxford English Dictionary Third Edition 1959 p 1036 **CHRISTIAN ZIONISM. THEOPOLITICS AND BIBLICAL MYTH-MAKING** BÜLENT ŞENAY,2021-01-01 This book is meant to serve as a reader material an instrument designed to help students of Christian Zionism regardless of their background age and ultimate interest find their way in existing literature The Ballot and the Bible Kaitlyn Schiess,2023-08-22 Pursue a Biblical Basis for Your Political Engagement How do Bible passages written thousands of years ago apply to politics today What can we learn from America s history of using the Bible in politics How can we converse with people whose views differ from our own In The Ballot and the Bible Kaitlyn Schiess explores these questions and more She unpacks examples of how Americans have connected the Bible to politics in the past highlighting times it was applied well and times it was egregiously misused Schiess combines American political history and biblical interpretation to help readers faithfully read Scripture talk with others about it apply it to contemporary political issues and to their lives A nuanced look at America s legacy of scriptural language Publishers Weekly starred review Christianity Today 2024 Book Award Finalist Politics and Public Life Ex Auditu - Volume 06 Robert A. Guelich,2004-06-23 Ex Auditu began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today s Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors EDITOR Dr Stephen Chester Associate Professor of New Testament North Park Theological Seminary EDITOR EMERITUS Dr Klyne R Snodgrass Paul W Brandel Professor of New Testament Studies at North Park Theological Seminary ASSOCIATE EDITOR Dr D Christopher Spinks Acquisitions Editor at Wipf and Stock Publishers EDITORIAL BOARD Terence E Fretheim Luther Seminary St Paul MN Richard B Hays Duke Divinity School Durham NC Jon R Stock Wipf and Stock Publishers Eugene OR Miroslav Volf Yale Divinity School New Haven CT John Wipf Wipf and Stock Publishers Eugene OR SUBSCRIPTION INFORMATION Individuals U S A and all other countries in U S funds 20 00 Students 12 00 Institutions 30 in the U S and 40 for international shipments in U S funds To subscribe Send pertinent information to Wipf and Stock Publishers at orders wipfandstock com and indicate your preferred method of payment Back issues are available through Wipf and Stock Publishers Symposium on the Theological Interpretation of Scripture at North Park DETAILS For more information about the symposium click here INQUIRIES Other inquiries should be addressed to one of the following Dr Dennis Edwards Associate Professor of New Testament North Park Theological Seminary 3225 W Foster Ave Chicago IL

The Bible and Zionism Nur Masalha, 2007-08 This text investigates the Biblical justification for Zionism charts the historical rise of Zionism since its 19th century roots Providing a contribution to the argument for a single democratic secular Israeli state it shows how the biblical language of chosen people promised land is used to justify ethnic division violence

Understanding the Revelation Michael Scantlebury, 2023-02-28 As we study the prophecy within this book we will see how it ties in with Jesus prophecy recorded in Matthew 24

American Christians and Islam Thomas S. Kidd, 2018-06-05 In the wake of the September 11 terrorist attacks many of America's Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world's Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today's evangelicals have deep roots in American history Tracing Islam's role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation's founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals' fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians' anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America's immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals' unwillingness to acknowledge Islam's theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world *American Christians and Islam* is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today

The New American Militarism Andrew J. Bacevich, 2013-03-22 In this provocative book Andrew Bacevich warns of a dangerous dual obsession that has taken hold of Americans both conservatives and liberals alike It is a marriage of militarism and utopian ideology of unprecedented military might wed to a blind faith in the universality of American values This mindset Bacevich warns invites endless war and the ever deepening militarization of U.S. policy It promises not to perfect but to pervert American ideals and to accelerate the hollowing out of American democracy In *The New American Militarism* Bacevich examines the origins and implications of this misguided enterprise He shows how American militarism emerged as a reaction to the Vietnam War when various groups in American society soldiers politicians on the make intellectuals strategists Christian evangelicals even purveyors of pop culture came to see the revival of military power and the celebration of military values as the antidote to all the ills besetting the country as a consequence of Vietnam and the

1960s The upshot acutely evident in the aftermath of 9 11 has been a revival of vast ambitions this time coupled with a pronounced affinity for the sword Bacevich urges Americans to restore a sense of realism and a sense of proportion to U S policy He proposes in short to bring American purposes and American methods especially with regard to the role of the military back into harmony with the nation s founding ideals For this edition Bacevich has written a new Afterword in which he considers how American militarism has changed in the past five years He explores in particular how this ideology has functioned under Barack Obama who ran for president on a campaign based on hope for change and for a new beginning Despite such rhetoric Bacevich powerfully suggests the attitudes and arrangements giving rise to the new American militarism remain intact and inviolable as ever **Eschatology and Ecology** Paul Hang-Sik Cho,2011-05-01 This book raises the question of why Korean people and Korean Protestant Christians in particular pay so little attention in theory or practice to ecological issues The author argues that there is an important connection or elective affinity between this lack of attention and the otherworldly eschatology that is so dominant within Korean Protestant Christianity Dispensational premillennialism originally imported by American missionaries resonated with traditional religious beliefs in Korea and soon came to dominate much of Korean Protestantism This book argues that this of all forms of millennialism is the most damaging to ecological concerns It also suggests how Korean churches may effectively respond to the ecological challenge

Apocalypse Jukebox David Janssen,Edward Whitelock,2011-04-25 From its indefinite beginnings through its broad commercialization and endless reinterpretation American rock and roll music has been preoccupied with an end of the world mentality that extends through the whole of American popular music In *Apocalypse Jukebox* Edward Whitelock and David Janssen trace these connections through American music genres uncovering a mix of paranoia and hope that characterizes so much of the nation s history From the book s opening scene set in the American South during a terrifying 1833 meteor shower the sense of doom is both palpable and inescapable a deep foreboding that shadows every subsequent development in American popular music and as Whitelock and Janssen contend stands as a key to understanding and explicating America itself Whitelock and Janssen examine the diversity of apocalyptic influences within North American recorded music focusing in particular upon a number of influential performers including Bob Dylan Leonard Cohen John Coltrane Devo R E M Sleater Kinney and Green Day In *Apocalypse Jukebox* Whitelock and Janssen reveal apocalypse as a permanent and central part of the American character while establishing rock and roll as a true reflection of that character **Our American Israel** Amy Kaplan,2018-09-17 How did a Jewish state come to resonate profoundly with Americans in the twentieth century Since WWII Israel s identity has been entangled with America s belief in its own exceptionalism Turning a critical eye on the two nations turbulent history together Amy Kaplan unearths the roots of controversies that may well divide them in the future **What Dare We Hope?** Gerhard Sauter,1999-08-01 First in the new TPI Center of Theological Inquiry Princeton series entitled *Theology for the Twenty first Century* TTFC this volume focuses on the foundations of Christian hope **Naming the**

Antichrist Robert C. Fuller, 1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In Naming the Antichrist Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of The Late Great Planet Earth with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life **Last Days Madness: Obsession of the Modern Church**

Gary DeMar, 1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness

The 1980s Countdown To Armageddon Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The 1980s Countdown To Armageddon PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The 1980s Countdown To Armageddon PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of The 1980s Countdown To Armageddon free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The 1980s Countdown To Armageddon Books

1. Where can I buy The 1980s Countdown To Armageddon books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The 1980s Countdown To Armageddon book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
