church documents and strategies for growth and development particular in a western context But does recent use of the word risk reducing the wide range of meanings of discipleship to something less rich and inclusive than is warranted With contributions from an array of leading thinkers scholars and theologians including Rachel Mann Kirsteen Kim and Anthony Reddie this book argues that there is need for more clarity precision and depth in defining what meaningfully and constructively is construed as discipleship Beginning with an overview of how the concept of discipleship has been understood in history the volume goes on to consider some of the key figures who have shaped our understanding of the concept and finally to reflect on what discipleship might look like in contemporary society **DiscipleShift** Jim

Putman,Bobby Harrington,2013-04-23 Question What is the God given purpose of the local church Answer Relational discipleship DiscipleShift walks you through five key shifts that churches must make to refocus on the fundamental biblical mission of discipleship These intentional changes will attract the world and empower your church members to be salt and light in their communities Over the last thirty years many influential church leaders and church planters in America have adopted various models for reaching unchurched people While many of these approaches have merit something is still missing something even more fundamental to the mission of the church discipleship Making disciples helping people to trust and follow Jesus is the church s God given mandate Devoted disciples attract people outside the church because of the change others see in their Christ like lives And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non believers Through biblical and professional insights Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so in practical terms You ll learn The specific roles of a disciple making pastor The components of person to person discipleship How each ministry in your church leads to discipleship How to implement discipleship in your church Disciple making leaders will not produce perfect churches but they will create effective churches Ministering to Families in Crisis Jennifer S. Ripley,James N. Sells,Diane J.

Chandler,2024-10-22 When people encounter a crisis they often turn to ministry leaders who may feel unprepared to guide them In this tool kit for pastors Christian leaders with unique expertise provide evidence based insights and practical suggestions on challenges affecting marriages children and teens equipping ministers to help families find hope

McNaughton,Jon Wegner,2020-07-01 LEARNING TO FOLLOW JESUS will help you develop seven essential attributes of a disciple of Jesus Christ You will learn how to become a fully devoted follower of Jesus by reading the Scripture passages answering the questions applying the attributes to your life and sharing your journey with a spiritual coach *Becoming a Disciple of Jesus* John Sandoz,2018-10-15 Christian growth is a deeply personal and spiritual choice that recognizes our unending need for Jesus not only as Savior but also as LORD over our lives That recognition sometimes comes after losing

the things that seemed to matter most and humbly acknowledging before God that we need a new life and not just a better version of the old life which produced little of lasting value Discipleship is not and never can be a self improvement program because self is actually a big part of the problem Transforming our lives is not something we can do because even on our best days our sin nature opposes such transformation As the Apostle Paul said For the good that I wish I do not do but I practice the very evil that I do not wish Rom 7 19 Our only hope for real change resides in Jesus assurance that what is impossible for man is possible for God Becoming a Disciple of Jesus provides a year in Christian growth composed of fifty two weekly lessons that develop both our vertical relationship with God and our horizontal relationships with others through the works of faith which God has prepared for us Each work of faith is accomplished by our belief in the Holy Spirit s ability to transform us into instruments of God s peace and love Over time this truth becomes both our heart s desire and a glorious reward as we gain freedom from the negative thought patterns and behaviors that previously governed our lives Paradoxically admitting the things we struggled with to God unleashes His healing presence at a deep heart level As beings created in His image we all resemble partially completed sculptures God the Master Sculptor removes our undesirable traits so we can become complete as the persons He made us to be able to use our God given gifts to glorify Him as shining examples of His love

Dames, 2022-04-19 The title of this book Seven Pillars of Discipleship Book One is the first in a seven part series on discipleship Pillar one or book one deals with the beginning of the discipleship process salvation In order for one to become a disciple of Jesus the Christ he/she must first be born again that is the acceptance of Christ as Lord and Savior and the repentance turning away from sin Book one seeks to show why salvation is necessary and God's plan to redeem the world through the death of His only begotten Son A misunderstanding of salvation results in an eternal outcome hence this is probably the most important message in the series and the most essential to the foundation of the discipleship process
