British Liberalism and the United States Murney Gerlach, 2001-07-19 While there are many works on British liberalism this is the first to deal substantially with the transatlantic and international content of liberalism Gerlach considers the transatlantic thought of prominent contemporary figures such as William Gladstone John Morley William Harcourt and Andrew Carnegie A fascinating account that paves the way for the political and social rapprochement of the twentieth century

The Liberal Magazine, 1910

The Brazilian Workers' ABC John D. French, 1992 John French analyzes the emergence of the Brazilian system of politics and labor relations between 1900 and 1953 in the industrial municipalities of Santo André São Bernardo do Campo and São Caetano do Sul These municipalities which constitute the so

Conservative Bias Bryan H. Thrift, 2016-09-27 Conservative Bias examines one of the most notorious figures of modern American politics Jesse Helms Thrift shows that Helms was not merely a right wing demagogue but rather a brilliant media mastermind who built a national movement from a little television soundstage in Raleigh Neil J Young Princeton University In this careful thoughtful and thoroughly researched study Bryan Hardin Thrift provides the first comprehensive study of Jesse Helms's long career as a conservative journalist and television ideologue prior to his long tenure as a U S senator from North Carolina William A Link author of Righteous Warrior Jesse Helms and the Rise of Modern Conservatism Traces a little known but pivotal phase of Helms's pre senatorial career and explains how the future New Right leader used the power of local television broadcasts in the 1960s to forge a new ideology that moved the nation to the right Daniel K Williams author of God's Own Party Before Bill O'Reilly and Glenn Beck there was Jesse Helms From in front of a camera at WRAL TV Helms forged a new brand of southern conservatism long before he was a senator from North Carolina As executive vice president of the station Helms delivered commentaries on the evening news and directed the news and entertainment programming He pioneered the attack on the liberal media and his editorials were

some of the first shots fired in the culture wars criticizing the influence of immoral entertainment Through the emerging power of the household television Helms established a blueprint and laid the foundation for the modern conservative movement Bryan Thrift mines over 2 700 WRAL TV Viewpoint editorials broadcast between 1960 and 1972 to offer not only a portrait of a skilled rhetorician and wordsmith but also a lens on the way the various and at times competing elements of modern American conservatism cohered into an ideology couched in the language of anti elitism and traditional values Decades prior to the invention of the blog Helms corresponded with his viewers to select refine and sharpen his political message until he had reworked southern traditionalism into a national conservative movement The realignment of southern Democrats into the Republican Party was not easy or inevitable and by examining Helms s oft forgotten journalism career Thrift shows how delicately and deliberately this transition had to be cultivated Bryan Hardin Thrift teaches history at Johnston Community College

A Vision of a New Liberalism? K?z? Yamamura,1997 Nine essays critically evaluate Murakami s sanguine vision for the future which is sustained by polymorphic liberalism a new type of liberalism that reflects the needs of both developed and developing economies and the realities of the diversity of cultures

After Liberalism? Martin Schlag,Giulio Maspero,2021-08-23 The economic downturn caused by the COVID 19 pandemic the unrest in the US following the unlawful death of George Floyd and other sources of social unrest and insecurity have brought to a head something that has been brewing in Western societies since the Great Recession of 2008 the disillusionment with liberal democracy as it evolved after World War II Liberal political systems were characterized by a working compromise between capital and labor between liberalism and socialism This book analyzes how and to what extent the rise of populism and identitarian political movements as well as the acceptance of world leaders who embody an authoritarian style of government has undermined this compromise Written by scholars from various disciplines all of which share the Christian faith it offers a snapshot of an intellectual debate among Christians who are deeply concerned about the world they live in and who share their constructive proposals for a way forward after liberalism as we know it The contributors address topics such as Christian alternatives to liberalism and populism challenges to post liberalism trans liberalism and relational anthropology Accordingly the book will appeal to scholars who wish to reflect on the order of our society and to anyone who shares the view that it is high time to rethink liberalism

Liberal Internationalism M. Pugh,2012-09-28 The book investigates the role of popular liberal internationalism as a social movement in Britain using Gramscian and Foucauldian ideas of civil society It addresses the use of force for peace through an examination of the impact of civil society actors in popular liberal internationalism between the world wars

[Economic Liberalism and Its Rivals](#) Keith A. Darden,2009-02-02 Darden traces the decisions that shaped the entry of post Soviet states into the world economy

Before and Beyond the 'Big Society' Joseph Forde,2022-05-26 John Milbank s theology has shaped much modern political thinking both within and without the Church In Before and Beyond the Big Society Joseph Forde presents the first study devoted exclusively to John Milbank s

theology of welfare and how it has influenced policy in the Church of England since 2008 By examining the favourable response the Church gave to the Big Society project in 2010 12 Forde shows that Milbank's Blue Socialist fingerprint increasingly dominates However this theology has not evolved in a vacuum and Forde expertly places it in its historical and theoretical context He offers a detailed critical discussion of Milbank's own critique of what has been the mainstream Temple Anglican theology of welfare in the Church of England since the 1940s and a fresh contribution to the assessment of Anglican social theology Finally he demonstrates how Milbank's ideas have been furthered by other influential Anglicans It is this influence that will carry the greatest implications for the Church of England's policy on welfare going forward making this study relevant to all who care about its contribution to the provision of welfare

Liberal Socialism Carlo

Rosselli, 2017-03-14 First published in 1930 amidst the collapse of socialist ideals and the onset of fascism throughout parts of Europe Liberal Socialism is a powerful and timely document on the ethics of political action During his confinement for his anti fascist beliefs the Italian political philosopher Carlo Rosselli 1899 1937 wrote this work not only as a critique of fascism but also as an investigation into the history of Marxism and the need for a liberal reformulation of socialism In this first English language edition Nadia Urbinati highlights both the historical and theoretical importance of Liberal Socialism which continued to inspire the anti fascist movement Giustizia e Liberta long after Rosselli's assassination by Mussolini's agents and which outlines a possible rebirth of the socialist and democratic movements Rosselli's analysis provides an illuminating interpretation of the ideological crisis of Marxism in its positivistic version during the late nineteenth century and exposes the intellectual weakness of revisionist efforts to delineate new versions of Marx's doctrine He encourages readers to view socialism as an ethical ideal and to consider whether Marxist or liberal methods combine better with socialism to achieve that ideal Rosselli opts for a liberal socialism that avoids the shortcomings of uncontrolled laissez faire but favors state intervention to secure public services and social rights Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

War, Identity and the Liberal State Victoria Basham, 2013-07-24 This book critically examines the significance of gender race and sexuality to wars waged by liberal states Drawing on original field research with British soldiers it offers insights into how their everyday experiences are shaped by and shape a politics of gender race and sexuality that not only underpins power relations in the military but the geopolitics of wars waged by liberal states Linking the politics of daily life to the international is an intervention into international relations IR and security studies because instead of overlooking the politics of the everyday this book insists that it is vital to explore how geopolitical events and practices are co constituted reinforced

and contested by it By utilising insights from Michel Foucault the book explores how shared and collectively mediated knowledge on gender race and sexuality facilitates certain claims about the nature of governing in liberal states and about why and how such states wage war against illiberal ones in pursuit of global peace and security The book also develops post structural work in international relations by urging scholars interested in the linguistic construction of geopolitics to consider the ways in which bodies objects and architectures also reinforce particular ideas about war identity and statehood

Rethinking Nineteenth-century Liberalism Anthony Howe, Simon Morgan, 2006 Addressing the critical issues that were to bring Richard Cobden 1804 1865 to the attention of Europe s political classes this volume provides a timely reassessment of his influence on the development of nineteenth century economic thinking Focusing particularly on Cobden s advocacy of free trade and opposition to tariffs the book explores the impact of Cobdenism on the national and international stage and considers his lasting legacy to economic liberalism Offering a broad yet coherent investigation of the Cobdenite project by leading international scholars this volume provides a new and fascinating insight into one of the nineteenth century s most important figures **Liberals and Social Democrats** P. F. Clarke, Peter Clarke, 1981-11-19 This book is about the relationship between liberalism and socialism in Britain in the late nineteenth and twentieth centuries Liberalism's Last Hurrah Robert H Donaldson, 2015-04-08 Marked by sharp ideological divisions over civil rights Vietnam and federal power the 1964 presidential campaign between Democrat Lyndon Johnson and Republican Barry Goldwater proved a watershed election in American history Although Johnson defeated Goldwater in a landslide and liberalism seemed to ride triumphant the liberal wave crashed almost immediately and conservatives came to dominate a resurgent Republican Party in the late twentieth century Thoroughly researched and beautifully written this is the first historical account of this crucial election and the transition it marked for the nation Filled with colorful details and fascinating figures Johnson Goldwater Wallace Rockefeller Nixon Reagan Robert Kennedy Martin Luther King Jr George Bush and many more it captures the full excitement drama and significance of liberalism s last hurrah Congressional Record United States. Congress, 1971 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873
