The After House English Edition:

After the Sun Jonas Eika, 2022-08-23 Relentlessly thrilling an orgy of the unpredictable New York Times Book Review Like Thomas Pynchon taking on late capitalism surrealistic granular in its details and concerned with social entropy and desperate attempts at communion Wall Street Journal From a major new international voice mesmerizing inventive fiction that probes the tender places where human longings push through the cracks of a breaking world Under Canc n s hard blue sky a beach boy provides a canvas for tourists desires seeing deep into the world s underbelly An enigmatic encounter in Copenhagen takes an IT consultant down a rabbit hole of speculation that proves more seductive than sex The collapse of a love triangle in London leads to a dangerous hypnotic addiction In the Nevada desert a grieving man tries to merge with an unearthly machine After the Sun opens portals to our newest realities haunting the margins of a globalized world that s both saturated with yearning and brutally transactional Infused with an irrepressible urgency Eika s fiction seems to have conjured these far flung characters and their encounters in a single breath Juxtaposing startling beauty with grotesquery balancing the hyperrealistic with the fantastical as though the worlds he describes are being viewed through an ultraviolet filter in one Danish reviewer s words he has invented new modes of storytelling for an era when the old ones no longer suffice

Female Voices and Egyptian Independence Rania M. Mahmoud, 2023-12-28 This book offers a nuanced analysis of the ways in which Egyptian and British novels represent the Egyptian nationalist project in its struggle against British hegemony in the aftermath of two revolutions the 1881 82 Urabi Revolution known for inaugurating the British occupation of Egypt and the 1919 Revolution celebrated in Egyptian national memory as the classic Egyptian revolution par excellence Reading the novels against the grain the study recovers female voices that are multiply marginalized due to their gender and or ethnicity whether by colonial imperial powers the nation their immediate regional community or finally by the works under discussion themselves Using a comparative lens the study foregrounds the ways in which the authors confirm critique rewrite revise or reject developmental narratives Female Voices and Egyptian Independence pays particular attention to women that range from the uneducated black slave to the uneducated rural Siwan woman with artistic talent to the wealthy cultured Coptic housewife to the rising late nineteenth century British female professional and finally to the eclipsed twentieth century Egyptian female national intellectual all of whom play crucial roles in the journeys of the respective male protagonists and by extension the Egyptian national project

The Round Table, 1865 Architects' and Builders' Magazine, 1903 The Secret Agent Joseph Conrad, 1905-05-25

The Secret Agent 1907 is a compelling tale of espionage and terrorism set in Edwardian London. Ironically subtitled A Simple Tale it paints a terrifying portrait of revolutionaries and anarchists whose personal lives are as barren and futile as their public acts of violence. It concludes with the unwitting accomplice of a would-be terrorist blowing himself to bits with his own bomb, the terrorist's subsequent murder by his own wife and the wife's own suicide. This new edition is based on a painstaking comparison of the original manuscript of the work with its first truncated appearance in the American magazine Ridgeway's A Militant Weekly for God and Country and with all subsequent book form publications overseen by Conrad himself. The result is a new text purged of the printers' errors and editorial interventions that have been reproduced in all previous printings. There is also a critical introduction, an essay on the text, a textual apparatus, and helpful explanatory notes.
