That Dorky Homemade Look Quilting Lessons From A Parallel Universe:

That Dorky Homemade Look Lisa Boyer, 2015-01-27 Fed up with feeling like you can't meet the standards of the Quilt Police Do you want to quilt for comfort and pleasure and not to win some high falutin quilting contest Weary of worrying about what others will think of your color choices or your pieced points Or your applique stitches That Dorky Homemade Look Quilting Lessons from a Parallel Universe is the quilting companion you've been wishing for Lisa Boyer a popular columnist for Quilting Today magazine gives you permission to quilt because you love it She clears your path of all those merciless judgments pronounced by the Quilting Queens She invites you to make quilts that are full of life This funny book offers these nine principles for the 20 million quilters in America 1 Pretty fabric is not acceptable Go right back to the quilt shop and exchange it for something you feel sorry for 2 Realize that patterns and templates are only someone's opinion and should be loosely translated Personally I've never thought much of a person who could only make a triangle with three sides 3 When choosing a color plan for your quilt keep in mind that the colors will fade after a hundred years or so This being the case you will need to start with really bright colors 4 You should plan on cutting off about half your triangle or star points Any more than that is showing off 5 If you are doing applique remember that bigger is dorkier Flowers should be huge Animals should possess really big eyes 6 Throw away your seam ripper and repeat after me Oops Oh no one will notice 7 Plan on running out of border fabric when you are three quarters of the way finished Complete the remaining border with something else you have a lot of preferably in an unrelated color family 8 You should be able to quilt equally well in all directions I had to really work on this one It was difficult to make my forward stitching look as bad as my backward stitching but closing my eyes helped 9 When you have put your last stitch in the binding you are still only half finished Your quilt must now undergo a thorough conditioning Give it to someone you love dearly to drag around the house wrap up in spill something on and wash and dry until it is properly lumpy No reason not to have quilting be a pleasure says Lisa Boyer who has as firm a grip on her sense of humor as she does on her quilting needles If we didn't make Dorky Homemade quilts all the quilts in the world would end up in the Beautiful Quilt Museum untouched and intact Quilts would just be something to look at We would forget that quilts are lovable touchable shreddable squeezable chewable and huggable made to wrap up in when the world seems to be falling down around us

Around the Quilt Frame Kari Cornell, 2006-04-13 Inspired by the sense of community forged by the millions of women who have gathered with friends to quilt throughout history Around the Quilt Frame draws upon this common bond connecting today's quilters in a more symbolic way This unique compilation of essays and stories about quilts and quilting blends light hearted tales with more philosophical pieces From a variety of well known quilting writers including Helen Kelley Ami Simms Lisa Boyer Patricia Cox Jean Ray Laury and Sandra Dallas these pieces expertly stitch together a mix of contemporary and vintage pieces to create a patchwork of treasured and timeless tales

Once Upon a Quilt Margret Aldrich, 2003 Carefree Quilts Joy-Lily, 2011-12-13 Author Joy Lily helps readers to put

the fun back into quilting Inside readers will experience a fresh approach to quilting with two simplified carefree methods sew flip and stack slice swap where skills like matching seams and measuring are not important At the end of construction each piece is trimmed to a uniform size to facilitate mixing and matching into many quilted projects While matching seams and other traditional quilting skills are unimportant for success with these instructions the reader will still learn basic quilting techniques including strip piecing curved piecing foundation piecing sewing on a bias piece swapping and more as they work through the blocks A getting started section explains which rules are necessary and which are optional **Stash Envy** Lisa Boyer,2005-10-01 Another book of quilting humor from the author of the ever popular book That Dorky Homemade Look Funny woman Lisa Boyer is an expert quilter And she s determined to enjoy making quilts In fact she will not absolutely will not let the risk of making a mistake or a less than perfect quilt keep her from relishing the task In the 34 chapters of this new book Lisa covers The need for new fabric colors blurple rorange and bellow to name a few The virtues of lumps in a quilt How to share your bum fat quarter at a fabric exchange How crocheting doilies will drive you back to quilting How to cope when your quilts lack depth and dimension Lisa Boyer is a breeze of fresh air She brings you back to the pleasure of quilting with her confessions and adventures in Stash Envy **Subject Guide to Books in Print** ,1991 **Forthcoming Books** Rose Arny,2002
