Lanzendörfer, 2018-08-08 The zombie has cropped up in many forms in film in television and as a cultural phenomenon in
zombie walks and zombie awareness months but few books have looked at what the zombie means in fiction Tim Lanzend rfer
fills this gap by looking at a number of zombie novels short stories and comics and probing what the zombie represents in
contemporary literature Lanzend rfer brings together the most recent critical discussion of zombies and applies it to a
selection of key texts including Max Brooks s World War Z Colson Whitehead s Zone One Junot Diaz s short story Monstro
Robert Kirkman s comic series The Walking Dead and Seth Grahame Smith s Pride and Prejudice and Zombies Within the
context of broader literary culture Lanzend rfer makes the case for reading these texts with care and openness in their own
right Lanzend rfer contends that what zombies do is less important than what becomes possible when they are around Indeed
they seem less interesting as metaphors for the various ways the world could end than they do as vehicles for how the world
might exist in a different and often better form *Undead Apocalypse* Stacey Abbott, 2016-09-08 Explores the intersection of
the vampire and zombie with 21st Century dystopian and post apocalyptic cinema Twenty first century film and television is
overwhelmed with images of the undead Vampires and zombies have often been seen as oppositional one alluring the other
repellant one seductive the other infectious With case studies of films like I Am Legend and 28 Days Later as well as TV
programmes like Angel and The Walking Dead this book challenges these popular assumptions and reveals the increasing
interconnection of undead genres Exploring how the figure of the vampire has been infused with the language of science
disease and apocalypse while the zombie text has increasingly been influenced by the trope of the areluctant vampire Stacey
Abbott shows how both archetypes are actually two sides of the same undead coin When considered together they present a
dystopian sometimes apocalyptic vision of twenty first century existence Key features Rather than seeing them as separate or
oppositional this book explores the intersection and dialogue between the vampire and zombie across film and
television Much contemporary scholarship on the vampire focuses on Dark Romance while this book explores the more horror
based end of the genre Offers a detailed discussion of the development of zombie television Provides a detailed examination of
Richard Matheson s I Am Legend including the novel the script the adaptations and the BBFC s response to Matheson s script
