Alberts,      **Video Games as Art** Frank G. Bosman,Archibald L.H.M. van Wieringen,2022-11-07 Video games are a relative late arrival on the cultural stage While the academic discipline of game studies has evolved quickly since the nineties of the last century the academia is only beginning to grasp the intellectual philosophical aesthetical and existential potency of the new medium The same applies to the question whether video games are or are not art in and on themselves Based on the Communication Oriented Analysis the authors assess the plausibility of games as art and define the domains associated with this question      Fact Hunt Larry Bundy Jr,2020-02-06 A bumper collection of facts about video games from YouTuber extraordinaire Larry Bundy Jr this book will debunk myths and urban legends delve into developers biggest successes and failures explore the odd characters behind the games and unearth the obscure the forgotten the cancelled and the abandoned aspects of the gaming world For the past decade Larry has painstakingly trawled through countless old magazines routinely harassed developers and blackmailed journalists to uncover these amazing tidbits and anecdotes that would have fallen by the wayside of history Now he has compiled them into a fun full colour book with sections on botched game launches pointless peripherals unreleased video game movies weird guest fighters and much much more Along the way he has invited a few

famous gaming guests including Stuart Ashen and Did You Know Gaming to provide their favourite quips for your personal perusal So whatever your level of knowledge about video games you re guaranteed to learn a ton of entertaining new information

**The Eternal Future of the 1950s** Dennis R. Cutchins,Dennis R. Perry,2023-07-17 Science fiction cinema once relegated to the undervalued B movie slot has become one of the dominant film genres of the 21st century with Hollywood alone producing more than 400 science fiction films annually Many of these owe a great deal of their success to the films of one defining decade the 1950s Essays in this book explore how classic 50s science fiction films have been recycled repurposed and reused in the decades since their release Tropes from Don Siegel s Invasion of the Body Snatchers 1956 for instance have found surprising new life in Netflix s wildly popular Stranger Things Interstellar 2014 and Arrival 2016 have clear though indirect roots in the iconic 1950s science fictions films Rocketship X M 1950 and The Day the Earth Stood Still 1951 and The Shape of Water 2017 openly recalls and reworks the major premises of The Creature From the Black Lagoon 1954 Essays also cover 1950 s sci fi influences on video game franchises like Fallout Bioshock and Wolfenstein

**Nazi Occultism, Jewish Mysticism, and Christian Theology in the Video Game Series Wolfenstein** Frank G. Bosman,2024-07-03 The critically acclaimed if controversial game series Wolfenstein is famous for its inclusion of historical objects and figures from the realm of Nazi Occultism including the Swastika the Spear of Destiny the Thule Medallion Heinrich Himmler Helena Blavatsky and Karl Wiligut The series was criticized for its alleged Nazi glorification and for completely neglecting primary victims of the Second World War the Jewish people But since its reboot with Wolfenstein New Order in 2014 the series has a new distinct filo semitic flavor including a number of explicit Jewish characters a playable concentration camp level and several theological discussions on God and the existence of evil In Nazi Occultism Jewish Mysticism and Christian Theology in the Video Game Series Wolfenstein game theologian Frank G Bosman critically examines both the Nazi occultist and Judaist inspirations and aspirations of the game series putting forth the question if the series has not invertedly ventured into implicit antisemitic territory by including the Da at Yichud a fictional ancient and distinct Jewish organization harboring the great minds of history

**Holocaust Representations in History** Daniel H. Magilow,Lisa Silverman,2019-11-28 How the Holocaust is depicted and memorialized is key to our understanding of the

atrocities and its impact Through 18 case studies dating from the immediate aftermath of the genocide to the present day Holocaust Representations in History explores this in detail Daniel H Magilow and Lisa Silverman examine film drama literature photography visual art television graphic novels memorials and video games as they discuss the major themes and issues that underpin the chronicling of the Holocaust Each chapter is focused on a critical debate or question in Holocaust history the case studies range from well known commercially successful works about the Holocaust to controversial examples which have drawn accusations of profaning the memory of the genocide This 2nd edition adds to the mosaic of representation with new chapters analysing poetry in the wake of the Holocaust and video games from the here and now This unique volume provides an unmatched survey of key and controversial Holocaust representations and is of vital importance to anyone wanting to understand the subject and its complexities      **Masculinities in Play** Nicholas Taylor, Gerald

Voorhees, 2018-10-06 This volume addresses the persistent and frequently toxic associations between masculinity and games It explores many of the critical issues in contemporary studies of masculinity including issues of fatherhood homoeroticism eSports fan cultures and militarism and their intersections with digital games the contexts of their play and the social futures associated with sustained involvement in gaming cultures Unlike much of the research and public discourse that put the onus of fixing games and gaming cultures on those at its margins women LGBTQ and people of color this volume turns attention to men and masculinities offering vital and productive avenues for both practical and theoretical intervention      **Gaming and**

**the Divine** Frank G. Bosman, 2019-03-04 This book formulates a new theological approach to the study of religion in gaming Video games have become one of the most important cultural artifacts of modern society both as mediators of cultural social and religious values and in terms of commercial success This has led to a significant increase in the critical analysis of this relatively new medium but theology as an academic discipline is noticeably behind the other humanities on this subject The book first covers the fundamentals of cultural theology and video games It then moves on to set out a Christian systematic theology of gaming focusing on creational theology Christology anthropology evil moral theology and thanatology Each chapter introduces case studies from video games connected to the specific theme In contrast to many studies which focus on online multiplayer games the examples considered are largely single player games with distinct narratives and end of game moments The book concludes by synthesizing these themes into a new theology of video games This study addresses a significant aspect of contemporary society that has yet to be discussed in any depth by theologians It is therefore a fantastic resource for any scholar engaging with the religious aspects of digital and popular culture      **Tomorrow City** Nathan

Russell, 2024-01-25 A dieselpunk roleplaying game of action mystery and mad science Tomorrow City was one of the cities of the future built to usher in a new age of prosperity seizing upon scientific achievements at the dawn of the twentieth century Then came the War Radium powered soldiers assembled diesel fuelled nightmares rolled off production lines city fought city and the world burned in atomic fire We survived barely Tomorrow City still stands an oil stained beacon of hope part refuge

part asylum Beset by dangers from both within and without a secret war now rages on its streets Diesel born monstrosities stalk the alleyways air pirates strike from the wastelands mad scientists continue their dark work occultists manipulate the city's strange geometry and secret societies plot in the shadows Tomorrow City is a roleplaying game of dark science and dieselpunk action Swift and simple character creation and an easy to learn dice pool system places the emphasis on unique personalities and the momentum of the plot Join the Underground and fight the crime and corruption at the heart of the city Sell your dieselpunk tech occult knowledge and sheer grit as troubleshooters for mysterious paymasters Hunt down spies saboteurs and science run amok As weary sky rangers fringe scientists and radium powered veterans you might be all that stands between a better tomorrow and no tomorrow at all **Video Games and Comedy** Krista Bonello Rutter
