**Legal Language and Business Communication** Anurag K.

Agarwal, 2019-04-23 This book discusses the proper use of legal language in business communication While communicating a

business leader has to bear in mind the relevant legal framework and be sure to never violate it. Also, while it's easy to say that there are certain limits to the law, those limits are not readily visible to the uninitiated; occasionally even experts flounder. Exploring precisely these topics, the book will be of interest to students of business law and business communication managers, lawyers, researchers, practitioners, and general readers alike.
