Policing Major Events James F. Albrecht, Martha Christine Dow, Darryl Plecas, Dilip K. Das, 2014-11-20 Whenever a major event requires police intervention questions are raised about the nature of the police response Could the police have prevented the conflict been better prepared reacted more quickly Could they have acted more forcefully or brought the altercation under control more effectively Based upon real case studies of events from all over the world this volume explores the complex set of factors comprising the policing of major events Topics covered include Police procedures in Serbia in response to sporting events and violence The 2010 World Cup in South Africa as a model of best practice in governance structures along with the region s struggles in routine policing initiatives Security operations at the 2010 Winter Olympic Games in Canada and the Summer Olympic and Paralympic Games in London in 2012 Community involvement to curb terrorist insurgency in North Eastern Nigeria Governmental response to Hurricane Katrina in Louisiana and Texas Revisions made to NYPD protocols following the September 11 attacks Policing strategies for major events on Aboriginal and tribal lands across Canada Other topics include the police protestor relationship and low profile versus high profile policing strategies in crowd control the growing strategy of private security in working with public police forces and enhancing public safety in post conflict regions The concepts presented in *Policing Major Events Perspectives from Around the World* will enable police departments to improve their readiness for policing major events across a diverse set of events and socio political contexts This book is a co publication with the International Police Executive Symposium

Evaluation of the New York City Police Department Firearm Training and Firearm-Discharge Review Process Bernard D.

Rostker, Lawrence M. Hanser, William M. Hix, Carl Jensen, Andrew R. Morral, 2008-06-09 In January 2007 New York City Police Commissioner Raymond W Kelly asked the RAND Corporation to examine the quality and completeness of the New York City Police Department s firearm training program and identify potential improvements in it and in the police department s

firearm discharge review process This monograph reports the observations findings and recommendations of that study

Handbook of Criminal Investigation Tim Newburn, Tom Williamson, Alan Wright, 2012-08-21 This book provides the most comprehensive and authoritative book yet published on the subject of criminal investigation a rapidly developing area within the police and other law enforcement agencies and an important sub discipline within police studies The subject is rarely out of the headlines and there is widespread media interest in criminal investigation Within the police rapid strides are being made in the direction of professionalizing the criminal investigation process and it has been a particular focus as a means of improving police performance A number of important reports have been published in the last few years highlighting the importance of the criminal investigation process not only to the work of the police but to public confidence in this Each of these reports has identified shortcomings in the way criminal investigations have been conducted and has made recommendations for improvement The Handbook of Criminal Investigation provides a rigorous and critical approach to not only the process of criminal investigation but also the context in which this takes place the theory underlying it and the variety of factors which influence approaches to it It will be an indispensable source of reference for anybody with an interest in and needing to know about criminal investigation Contributors to the book are drawn from both practitioners in the field and academics

Fight the Power Clarence Taylor, 2021-04-01 A story of resistance power and politics as revealed through New York City's complex history of police brutality The 2014 killing of Michael Brown in Ferguson Missouri was the catalyst for a national conversation about race policing and injustice The subsequent killings of other black often unarmed citizens led to a surge of media coverage which in turn led to protests and clashes between the police and local residents that were reminiscent of the unrest of the 1960s Fight the Power examines the explosive history of police brutality in New York City and the black community's long struggle to resist it Taylor brings this story to life by exploring the institutions and the people that waged campaigns to end the mistreatment of people of color at the hands of the police including the black church the black press black communists and civil rights activists Ranging from the 1940s to the mayoralty of Bill de Blasio Taylor describes the significant strides made in curbing police power in New York City describing the grassroots street campaigns as well as the accomplishments achieved in the political arena and in the city's courtrooms Taylor challenges the belief that police reform is born out of improved relations between communities and the authorities arguing that the only real solution is radically reducing the police domination of New York's black citizens
