Murdock, 2010-03-31 This study provides a striking new explanation of how China's Nationalist Party GMD defeated its rivals in the revolution of 1922-1929 and helped bring some degree of unification to a country torn by class regional and ideological interests Disarming the Allies of Imperialism argues that inconsistency more than culture ideology or any other factor gave nationalism its unique edge Revolutionary leaders manipulated revolutionaries and non revolutionaries alike to advantage their own positions and seize national power sometimes seeking to protect foreign lives and property and shield Chinese merchants from agitative disruptions sometimes voting to do the opposite Exploiting the symbiotic yet contradictory relationship between state building which sought foreign ties and international recognition and low level agitators committed to confrontational anti imperialist objectives top Guomindang leaders were able to manipulate political

circumstances to their own benefit For example party leaders stirred up anti Christian sentiment pitting popular forces against mission schools while simultaneously intervening to rescue these same schools from agitative destruction thus helping missionaries to soften their attitudes toward the revolution and eventually embrace the new order Scholars of modern Chinese history and anyone familiar with the growing literature on nationalism will appreciate this work for its elucidation of a complex historical snarl while undergraduates and scholars outside the China field will find this a useful and accessible study as well

womenRavena Annalise Lizzy and Lucindamust unite to rescue Rosalia from the clutches of a ruthless king and his cunning powerhungry daughter Each girl carries her own strengths flaws and powers but together they form an unbreakable bond As they navigate treacherous terrains dark beings ready for bloodshed and their own inner demons the stakes grow higher than they ever imagined Can they outwit the arrogant rulers and reclaim Rosalia or will their courage crumble under the weight of the crown s iron grip The battle for freedom beginsbut victory comes at a cost Are they willing to pay for it **The Human Image of God** Hans-Georg Ziebertz,Friedrich Schweitzer,Hermann Häring,Don Browning,2021-10-01 A new wave of religious energy is sweeping through the western nations Although God is disappearing from religious discourse in western culture both as a word and as a concept there is a definite undercurrent of religious ardour which is growing in strength It focuses all the more attention on the issue what or who is God in the modern era This is the question examined through systematic studies practical theology and empirical research that are presented here through anthropologically relevant theology Renowned international authors make it plain in this book the question of God is exciting again This book is published in honour of Johannes A van der Ven on the occasion of his 60th birthday Lady, You Deserve It Aness An,2016-03-24 More than 500 000 readers loved the recommendations made in Lady You Deserve It on how women can live their life to the fullest For those who dream about living a confident and positive life this book has seeded the courage and power to pursue the dreams in their hearts If you want to experience that magic start now You can change your life in a few months Isn t it worthwhile to invest some time in yourself First put yourself under a spell It s time to change I will surprise others with my transformation I will become an outstanding woman by increasing my self worth Are you ready As soon as you turn the first page the magic will start **Freud/Lynch** Stefan Marianski,Jamie Ruers,2022-09-29 The films of David Lynch are sometimes said to be unintelligible They confront us with strange dreamscapes populated with bizarre characters obscure symbols and an infuriating lack of narrative consistency Yet despite their opacity they hold us transfixed Lynch who once told an interviewer I love dream logic would surely agree with Sigmund Freud s famous claim that before the problem of the creative artist psychoanalysis must lay down its arms But what else might the two agree on Rather than presuming to fill in what Lynch leaves open by positing some forbidden psychosexual reality lurking behind his trademark red curtains this book instead maintains a fidelity to the mysteries of his wonderful and strange filmic worlds finding in them productive spaces where thought and imagination can be set to work With contributions from scholars psychoanalysts cinephiles and filmmakers this collection of essays explores potential affinities and disjunctions between Lynch and Freud Encompassing themes such as art identity architecture fantasy dreams hysteria and the unconscious Freud Lynch takes as its point of departure the possibility that the enterprise in which these two distinct investigators are engaged might in some sense be a shared one Inveterate Walkers, Literary Minds Anandarup Biswas,2025-02-18 Inveterate Walkers Literary Minds Bengal s Pilgrims and Their Himalayan Journeys brings under its critical focus the writings of Bengal s travellers mostly pilgrims

who went on foot into Himalayan trails from the mid nineteenth to the early and mid twentieth century Unlike many European travellers and climbers in the age of empire who saw the mountain as an obstacle overcoming which was a matter of individual and national pride these modest walkers unkempt and raddled in their meagre ways of travel produced a discourse of surrender in their intimate and reflecting engagement with the mountains The book examines the writings of Jadunath Sharbadhikary the first among Bengal s pilgrims whose Himalayan travels were published as a book and the more popular writers including Jaladhar Sen Umaprasad Mukhopadhyay and Abadhut It also traces emergent selfhoods and complex subjectivities of women travellers in particular such as Ratnamala Devi Rani Chanda and Nabaneeta Deb Sen whose accounts reveal both guarded hesitant voices and self assured confident enunciation of the self
