makeup is smeared in some amusing way Maybe my hair has blown around to create some bizarre hair do Such were my thoughts But never could I find anything strange I just saw my face as I had always seen it Granted I did wear a lot of makeup an almost white makeup base green eye shadow black mascara pink rouge red lipstick and heavy black eyeliner top and bottom But New York had lots of theatrical people actresses Broadway dancers theater performers who wore makeup I didn't think my makeup to be that extreme or outstanding in any way Indeed I had seen far more interesting makeup than mine

Popular Ornithology; containing a familiar and technical description of the Birds of the British Isles Philip Henry Gosse, 1849 **Popular British ornithology** Philip Henry Gosse, 1849 Popular ornithology. Popular British ornithology ... Second edition Philip Henry Gosse, 1853 Recreative Science, 1862 **In Heaven Everything Is Fine** Josh Frank, 2008-09-04 On March 3 1983 Peter Ivers was found bludgeoned to death in his loft in downtown Los Angeles ending a short lived but essential pop cultural moment that has been all but lost to history For the two years leading up to his murder Ivers had hosted the underground but increasingly popular LA based music and sketch comedy cable show New Wave Theatre The late 70s through early 80s was an explosive time for pop culture Saturday Night Live and National Lampoon were leading a comedy renaissance while punk rock and new wave were turning the music world on its head New Wave Theatre brought together for the first time comedians turned Hollywood players like John Belushi Chevy Chase and Harold Ramis with West Coast punk rockers Black Flag the Dead Kennedys Fear and others thus transforming music and comedy forever The show was a jubilant chaotic punk experimental comedy cabaret and Ivers was its charismatic leader and muse He was in fact the only person with the vision the generosity of spirit and the myriad of talented friends to bring together these two very different but equally influential worlds and with his death the improbable and electric union of punk and comedy came to an end The magnetic impishly brilliant Ivers was a respected musician and composer in addition to several albums he wrote the music for the centerpiece

song of David Lynch's cult classic *Eraserhead* whose sublime and bizarre creativity was evident in everything he did. He was surrounded by people who loved him; many of them luminaries. His best friend from his Harvard days was Doug Kenney, founder of *National Lampoon*; he was also close to Harold Ramis and John Belushi. Upon his death, Ivers was just beginning to get mainstream recognition. *In Heaven Everything Is Fine* is the first book to explore both the fertile gritty scene that began and ended with New Wave Theatre and the life and death of its guiding spirit, Josh Frank, author of *Fool the World: The Oral History of a Band Called Pixies*. I interviewed hundreds of people from Ivers's circle, including Jello Biafra, Stockard Channing, and David Lynch, and we hear in their own words about Ivers and the marvelous world he inhabited. He also spoke with the Los Angeles Police Department about Ivers's still unsolved murder, and as a result of his research, the Cold Case Unit has reopened the investigation. *In Heaven Everything Is Fine* is a riveting account of a gifted artist, his tragic death, and a little-known yet crucial chapter in American pop history.

Oil and Marble Stephanie Storey, 2016-03-01 From 1501 to 1505 Leonardo da Vinci and Michelangelo Buonarroti both lived and worked in Florence. Leonardo was a charming, handsome fifty-year-old at the peak of his career. Michelangelo was a temperamental sculptor in his mid-twenties, desperate to make a name for himself. The two despise each other. Front jacket flap.

Hidden in His Own Story Andrew Walton, 2016-11-22 *Hidden in His Own Story* is an invitation to reconsider and re-imagine both the humanity and divinity of Jesus. It is an invitation to people who are not familiar with the Bible stories and have only heard them through other sources, also to many who have rejected traditional interpretations of the stories as religious dogma, and to many people who are so steeped in the stories that they have become cliché. Even the most clever storyteller or writer of fiction can never totally disguise or deny their personal influence on the story. And most of us have had the experience of someone beginning a story with "I know a person who," when in fact that person is the one telling the story. Why not imagine the same when Jesus says, "Once there was a man..."
