known for more than four decades An inspiring story about rising from the ashes of our pasts Marianne Curtis memoir is written in a pure vivid voice and draws readers in with her will to survive despite the seemingly insurmountable struggles that she faced Finding Gloria is one woman s incredible story of love loss redemption and forgiveness even in the face of devastating events A beautiful and moving tale Curtis raw emotion and fragile hope is revealed through her candid prose and unbreakable spirit Where We Belong Lauren Harbor,2023-08-16 She survived a bullet their relationship didn t When best friends Ryan and Haley became lovers they envisioned marriage and babies not bullets and breakups Now the friendship is broken and the only thing tying them together is joint custody of their unruly German Shepherd Haley s new normal sucks Surgeons repaired the wound in her shoulder but there s no fix for the Ryan shaped hole in her heart Since the shooting this tough cop is riddled with self doubt It could get her or someone else killed The answer is to claim her life back including her best friend minus the benefits If only her heart didn t flutter with his every smile Ryan screwed up and wants redemption But the once laid back firefighter s world is now ruled by fear His mother may have died on duty that doesn t mean Haley will If only his brain would get the memo He ll do whatever it takes to banish the nightmares and cold sweats Taking control of his life is the only way to win Haley back and feel whole again With hard work and a little help from their trouble magnet dog can Ryan earn a second chance at romance If you love small town settings second chance romance best friends to lovers stories and adorably disobedient pets this novella is for you This sexy novella features some coarse language and a love scene Lauren Harbor sets up her exciting new series with this emotional sweet and sexy second chance story that s guaranteed to leave you swooning in the end Don t be fooled by the short length this story brings ALL the feels Stefanie London USA Today Bestselling Author **Manhood in Hollywood from Bush to Bush** David Greven,2010-01-01 A struggle between narcissistic and masochistic modes of manhood defined Hollywood masculinity in the period between the presidencies of George H W Bush and George W Bush David Greven s contention is that a profound shift in representation occurred during the early 1990s when Hollywood was transformed by an explosion of films that foregrounded non normative gendered identity and sexualities In the years that have followed popular cinema has either emulated or evaded the representational strategies of this era especially in terms of gender and sexuality One major focus of this study is that in a great deal of the criticism in both the fields of film theory and queer theory masochism has been positively cast as a form of male sexuality that resists the structures of normative power while narcissism has been negatively cast as either a regressive sexuality or the bastion of white male privilege Greven argues that narcissism is a potentially radical mode of male sexuality that can defy normative codes and categories of gender whereas masochism far from being radical has emerged as the default mode of a traditional normative masculinity This study combines approaches from a variety of disciplines psychoanalysis queer theory American studies men s studies and film theory as it offers fresh readings of several important films of the past twenty years including Casualties of War The Silence of the Lambs Fight Club The Passion of the Christ Auto Focus and Brokeback
