Saving America from Socialism Jim

DeMint, 2020-07-07 When Jim DeMint wrote *Saving Freedom We Can Stop America's Slide into Socialism* in 2009 he believed an energized and informed America could put the brakes on the progressive bus driven by big government backers What couldn't be foreseen was the devastating effect Barack Obama would have on our Constitutional Republic in eight years Since then an embedded force of anti-Constitutionalists in every branch of the federal government have worked virulently to crush any attempt to reorient the United States to its founding principles In *Saving America from Socialism* the facts about socialism are the same but after eight years of President Obama and high profile socialists leading the Democratic Party we now have a clearer picture of how socialism will impact our prosperity freedoms and rights America has never been more divided about what it means to be an American and this division is a key goal straight from the Socialist playbook We must have a new strategy for uniting and rescuing our nation from the inevitable decline from Socialist policies This book is your playbook to save America from socialism Thankfully Obama's replacement Donald Trump has provided a clear contrast between the results of socialism versus freedom
