

SERVICE MANUAL

This manual has been provided for the use of authorized YAMAHA Retailers and their service personnel. It has been assumed that basic service procedures inherent to the industry, and more specifically YAMAHA Products, are already known and understood by the users, and have therefore not been repeated.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or recognition of any applicable technical capabilities, or establish a principal-agent relationship of any form.

The data provided is believed to be accurate and applicable to the limits so indicated on the cover. The terms, engineering and service departments of YAMAHHA are continuously working to improve YAMAHHA products. Modifications are, therefore, inevitable without or obligation to notify. Should any discrepancy appear to exist, please contact the distributor. See page 17 for details.

IMPORTANT: Turn the unit OFF during disassembly and post re-assembly. Recheck all work before you apply current to the unit.
