launched Romero's films often transcend easy labels. His films are best understood as allegorical commentaries on American life that just happen to appropriate horror as a convenient vehicle. Romero's films encompass works as different as *The Crazies*, *Hungry Wives*, *Knightriders*, and *Bruiser*. The interviews in this collection cover a period of over forty years. In whatever format they originally appeared—the printed page, the internet, or the video interview—these discussions illustrate both the evolution of Romero's chosen forms of technology and the development of his thinking about the relationship between cinema and society. They present Romero as an independent director in every sense of the word.
