When 16 year old Robyn Rihanna Fenty first moved to the United States to pursue a career in music there was no indication that she would become anything other than another flash in the pan sub Beyonce pop starlet Born and raised in a working class area of Saint Michael parish in south west Barbados Rihanna was the eldest daughter of Monica Braithwaite and Ronald Fenty Her father struggled with addictions to crack cocaine and alcohol leading to her parents divorce when Rihanna was 14 after which she maintained contact with her father but continued living with her mother and two younger brothers Rorrey and Rajad Like many teenage girls she formed a singing group with friends and dreamt of becoming a pop star However unlike many teenage girls Rihanna also benefitted from good connections When she discovered two US record executives were holidaying on her home island an audition for her group was arranged by mutual friends History has forgotten the other two members of Rihanna s singing group but in Miss Fenty record execs Carl Sturken and Eric Rogers saw something marketable Jay Z did too He signed her to Def Jam during his brief tenure as president allowing for the release of two albums of reggae tinged R B that would make her name The caribbean influences in Rihanna s early releases made her a refreshing novelty for R B fans but if that was all she had to offer no doubt by now Rihanna would be just another footnote in pop history alongside Ashanti Amerie or Christina Milian remember them But Rihanna had something else Perhaps inspired by her oft cited idol Madonna she has demonstrated an ability to shapeshift in a way that is always uncannily ahead of the trend      *Undying Love* JD Penley,2021-07-07 Always and Forever That was the goal and immortality was the means but what if it can t be achieved by even an immortal It was exactly Lucas promised Leliana on their wedding day but fate had other plans After returning to his homeworld to visit his parent s kingdom everything changed After an assassination attempt on the king and queen is foiled Lucas quickly learns not everything is as peaceful as it seems After losing everything once as a mortal Lucas thought such loss was beyond him now Lucas was dead wrong Lucas must put his feelings in check to face his greatest challenge yet Lucas finds himself pitted against Artemis Bloodworth the dark sorcerer who possesses the one weapon with the power end his immortal life Lucas must face this new threat all while protecting the kingdom he never knew he was heir to while finding himself drawn to a person from his past and finding there is more to immortality than he could have imagined With magic of his own Lucas will attempt to face the threat head on but will he
