The Flight Gaito Gazdanov, 2016-04-26 While summering on the French Riviera the young Seryozha secretly becomes the lover of the much older Liza who is also his father's mistress As autumn approaches they reluctantly part Liza to return to Paris Seryozha to take up his studies at university in London When he finds out about their affair Seryozha's father attempts to convince Liza to

leave his son for the sake of the boy's own happiness. She finally gives in but a sudden fatal catastrophe changes everything. Gazdanov's second novel is proof of his wide-ranging talents written before his celebrated noir experiments. *The Spectre of Alexander Wolf* and *The Buddha's Return*. *The Flight* is a lyrical chamber play in prose. Mixing psychological drama, illicit romance and moments of both comedy and pathos, it is a modernist take on the traditional Russian nineteenth-century realist novel epitomised by Tolstoy with distinct echoes of Thornton Wilder's *The Bridge of San Luis Rey*. *The Apostasy* Kathryn Friesen, 2015-03-09 I didn't know where Uncle Robert got his army but they were the most barbaric bloodthirsty creatures I had ever seen and they were everywhere. We had to stop him. What a way to spend my birthday. I thought. Ugh. Thirteen. I'm a teenager. Since her adventures in *The Propheesied* the newly discovered Legend Amber has learned of trouble in the Elven kingdom. In hopes of finding both the next Legend and protecting the kingdom, Amber and her best friends Mo and Tiltir set out to visit the center city of Naor Eldvin. This leads them deep into their next adventure in some surprising new worlds.

The Jeffersonian, 1838 **The Degradation** Vaughn Eybers, 2024-10-11 Alex wakes up in the hospital after receiving a mysterious package, realizing that being an investigative journalist has never been more dangerous. His deteriorating health is a testament to this peril. Ever since his source vanished without a trace, the threats have intensified. Taking down major political players comes with significant risks, but Alex wonders if he could have done more to protect his source. The arrival of the mysterious package complicates matters further with its cryptic content alluding not only to his current dealings but also to his past. Why is there something hidden in his family's history, or is something far more sinister at play? Following these enigmatic clues will lead Alex into the heart of Africa, leaving behind his fiancée Gale. She has only recently made contact with her kidnapped daughter after so many years. The child was whisked off to another country by her father, the same man who threatened Gale's life should she ever come searching for her. This makes Alex question the nature of the call even more.

The Good Place and Philosophy Steven A. Benko, Andrew Pavelich, 2019-09-17 *The Good Place* is a fantasy comedy TV show about the afterlife. Eleanor dies and finds herself in the Good Place, which she understands must be a mistake since she has been anything but good. In the surprise twist ending to Season One, it is revealed that this is really the Bad Place, but the demon who planned it was frustrated because the characters didn't torture each other mentally as planned but managed to learn how to live together. In *The Good Place and Philosophy*, twenty-one philosophers analyze different aspects of the ethical and metaphysical issues raised in the show, including: Indefinitely long punishment can only be justified as a method of ultimately improving vicious characters, not as retribution. Can individuals retain their identity after hundreds of reboots? Comparing Hinduism with *The Good Place*, we can conclude that Hinduism gets things five percent correct. Looking at all the events in the show, it follows that humans don't have free will and so people are being punished and rewarded unjustly. Is it a problem that the show depicts torture as hilarious? This problem can be resolved by considering the limited perspective of humans compared with the eternal perspective of the demons. *The Good Place* implies that even demons can develop morally.

The only way to explain how the characters remain the same people after death is to suppose that their actual bodies are transported to the afterlife Since Chidi knows all the moral theories but can never decide what to do it must follow that there is something missing in all these theories The show depicts an afterlife which is bureaucratic therefore unchangeable therefore deeply unjust Eleanor acts on instinct without thinking whereas Chidi tries to think everything through and never gets around to acting together these two characters can truly act morally The Good Place shows us that authenticity means living for others The Good Place is based on Sartre's play No Exit with its famous line Hell is other people but in fact both No Exit and The Good Place inform us that human relationships can redeem us In The Good Place everything the humans do is impermanent since it can be rebooted so humans cannot accomplish anything good Kant's moral precepts are supposed to be universal but The Good Place shows us it can be right to lie to demons The show raises the question whether we can ever be good except by being part of a virtuous community The Knowledge of God, Subjectively Considered Robert Jefferson Breckinridge, 1859
