We Re Having A Tuesday:

We're Having a Tuesday DK Simoneau, 2006-05 A little girl misses her mother when she stays at her father's house and her father when at her mother's but soon she remembers that both of them are always in her heart Tuesday's Gone Nicci French, 2013-04-04 Blue Monday leaves readers with the promise of intriguing tales to come People four star review Internationally bestselling authors Nicci Gerard and Sean French writing as Nicci French have sold more than eight million copies of their books worldwide But nothing they've written before has grabbed the attention of reviewers and readers like Blue Monday and its iconic heroine Frieda Klein In a starred review Publishers Weekly called it a superb psychological thriller with brooding atmosphere sustained suspense a last minute plot twist and memorable cast of characters In Tuesday's Gone a London social worker makes a routine home visit only to discover her client Michelle Doyce serving afternoon tea to a naked decomposing corpse With no clues as to the dead man's identity Chief Inspector Karlsson again calls upon Frieda for help She discovers that the body belongs to Robert Poole con man extraordinaire But Frieda can't shake the feeling that the past isn't done with her yet Did someone kill Poole to embroil her in the investigation And if so is Frieda herself the next victim A masterpiece of paranoia Tuesday's Gone draws readers inexorably into a fractured and faithless world as it brilliantly confirms Frieda Klein as a quintessential heroine for our times The Book of Days K.A. Barker, 2014-09-01 Most people believe the best way to forget someone is to throw them down a well Or lock them in a room with eight keys or bury them at a crossroad in the thirteenth hour But they're wrong The best way to forget someone is for them never to have existed in the first place When sixteen year old Tuesday wakes from sleep for the first time she opens her eyes to a world filled with wonder and peril Left only with a letter from the person she once was Tuesday sets out to discover her past with the help of her charming and self-serving guide Quintalion Along the way she runs into mercenaries flying cities airships and a blind librarian But what is her connection with the mysterious Book of Days a book that holds untold power Just when I thought nothing new could be achieved in fantasy along comes The Book of Days K.A. Barker has created an extraordinary world a series of compelling landscapes and an unforgettable cast of characters All hail K.A.
