Arruabarrena, 2016-07-29 This volume brings together a selection of the papers and round tables delivered at the 39th AEDEAN Conference held at the University of Deusto in November 2015 The essays in *On the Move Glancing Backwards to Build a Future in English Studies* often begin with typically academic gestures such as retrieving a classic text and finding new ways of studying its genre or characterization or remarking how certain ungrammatical constructions have gone frequently unnoticed even in well-known texts for various reasons or entangling oneself in contentions about the adequacy of dissecting a literary text or linguistic problem by using innovative analytical tools In all cases though there is the intention of putting forth certain views and notions that will help future scholars to deal in a better light with the dilemmas regularly encountered in literary linguistic and cultural studies The book opens with three essays by professors Bartholomae Pullum and R. O. who demonstrate not only their mastery in their respective subjects but also their ability to tailor their contents to multifarious audiences The next two sections represent the main body of the e-book with nearly forty contributions on both literature and cultural studies Part II and language and linguistics Part III These short academic pieces are a representative showcase of the research being done lately in the different areas of expertise The last section of the volume gathers together the results of four research projects dealing with such engaging topics as postcolonial crime fiction or forgotten texts by Anglo writers about the Spanish Civil War It is hard to think of any potential reader schooled in English Studies who will not find something suitable to their interests and tastes in this volume **The Oprah Affect** Cecilia Konchar Farr, Jaime

We Were the Mulvaneys Joyce Carol Oates,1996-09-01 Moving away from the dark tone of her more recent masterpieces Joyce Carol Oates turns the tale of a family struggling to cope with its fall from grace into a deeply moving and unforgettable account of the vigor of hope and the power of love to prevail over suffering The Mulvaneys of High Point Farm in Mt Ephraim New York are a large and fortunate clan blessed with good looks abundant charisma and boundless promise But over the twenty five year span of this ambitious novel the Mulvaneys will slide almost imperceptibly at first from the pinnacle of happiness transformed by the vagaries of fate into a scattered collection of lost and lonely souls It is the youngest son Judd now an adult who attempts to piece together the fragments of the Mulvaneys former glory seeking to uncover and understand the secret violation that occasioned the family s tragic downfall Each of the Mulvaneys endures some form of exile physical or spiritual but in the end they find a way to bridge the chasms that have opened up among them reuniting in the spirit of love and healing Profoundly cathartic Oates acclaimed novel unfolds as if in the darkness of the human spirit she has come upon a source of light at its core Rarely has a writer made such a startling and inspiring statement about the value of hope and compassion What keeps us coming back to Oates Country is her uncanny gift of making the page a window with something happening on the other side that we d swear was like life itself The New York Times Book Review A major achievement that stands with Oates finest studies of American life the novel is a testament to the tenacious bonds of the family therestorative power of love and capacity to endure and prevail The Chicago Tribune
