Pistol Manual Bill Clede,1997 Since more than 26 states have passed laws requiring training for concealed carrying of firearms citizens and police have a duty to teach the safe and responsible use of the weapons In eight other states that permit concealed carry with no training required men and women have a moral obligation to learn how to carry and use their firearms safely and responsibly This handy little book contains everything a novice gun owner needs to know to start learning the basics of competent and safe pistol use as well as the essentials of using a gun in a potentially violent confrontation with a criminal It is an ideal textbook for state courses required for concealed carry permits While there are many excellent books on handguns marksmanship and self defense all are designed for those who want to be expert in those subjects There are no other books which address the specific concerns of someone who simply wants to carry a concealed firearm safely and responsibly until now Bill Clede serves on the Connecticut State Police Firearms Advisory Committee which determines what training in his state will and will not include A fruitless search for a suitable text is what prompted him to develop this book One of Clede s primary goals is teaching how to avoid discharging the firearm in the first place defusing aggressive behavior

without resorting to shooting someone The Practical Pistol Manual brings all these concerns together safety competent shooting and how to deal with violent behavior in one concise and affordable book This is the only book that fills the need of a text for novices that covers safety competent shooting and how to deal with potentially violent encounters *The Concealed Handgun Manual* Chris Bird,1997 Thirty one states have laws allowing most law abiding adults to carry concealed handguns more than 2 million are licensed to do so and guns are used about 2 5 million times a year to defend against criminal attack Here is advice on when carrying a concealed handgun is appropriate how to avoid violent confrontations the mental preparation needed to survive an armed encounter and the legal consequences of a self defense shooting Actual incidents are described and analyzed and the concealed handgun laws of the 31 states that allow them are summarized *Shoot a Handgun* Dave Arnold,1979 **The Modern Day Gunslinger** Don Mann,2010-08-01 A result of twelve years of research The Gunfighter s Bible was written to meet the needs of the gun owner the experienced shooter those who own a weapon strictly for home and self defense and for the military member who wants to become a better shooter in defense of our country It s also for the law enforcement officer who risks his or her life going against the thugs of our society and for anyone interested in learning the defensive and tactical training techniques from some of the best and most experienced shooters in the world The shooting skills taught in this book carry broad application in civilian law enforcement and military contexts Common criminals terrorists assailants the enemy and threat all will find themselves outgunned in the face of a properly armed and trained gunslinger Members of the armed services government and law enforcement agencies as well as civilians will find that the close range shooting methods addressed in this book can provide a decisive advantage An all encompassing manual that addresses safety equipment tactics and the best practices for all shooters The Gunfighter s Bible is the most all encompassing book on shooting ever published It s a book that in the words of senior special agent and U S government senior weapons and tactics instructor Dick Conger will save lives *Handbook of Handguns* Jeffrey Strickland,2013-04-25 In light of the 2nd Amendment debates shooting may become the national passtime To act responsibly within the 2nd Amendment means knowing how to properly bear arms Knowing involves understanding firearm types firearm operation ammunition internal ballistics and shooting These require training especially shooting Whether you own or plan to own a handgun for recreation competition or self defense training is of the utmost importance When you fire a projectile bullet from a firearm you are responsible for where it goes You need to understand how fast it travels how far it can travel and how accurate your firearm is in delivering the projectile to your intended target Yes bearing arms is a right but not one to be taken lightly Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up shooting **Police Handgun Manual** Bill Clede,1985 Shooting Forever Don Paul,David Blaisdell Smith,1995-06-01 **The Basics of Personal Protection** ,1988-09 **Glock Handbook** Erik Lawrence, Mike Pannone,2015-02-19 The handy to carry and use handbook of pistol knowledge for all owners users of the Glock system

Written by two Special Forces instructors this handbook includes decades of knowledge of this weapon system The most up to date explanation of the proper corrections to common malfunctions and how to ensure they don t happen in the future Maintenance inspection and training tips The Personal Protection Handbook Leonard M. Breure,2004-04 Presents an overview of personal security considerations Offers a basic shooting skills manual with detailed lesson plans in outline form and reproducible handouts
