but because of divorce you cannot get married in the Parish Can you have a Catholic style ceremony and have a wedding that your parents will appreciate and be comfortable with You want a traditional ceremony but the location is nontraditional What can you do to make this wedding perfect even if it s in a hotel conference room Can you have just a short spiritual ceremony but provide all the elements that our guests will expect You have children that one or both of you are bringing into the marriage How do you include them in the ceremony Can you get married now quietly for personal purposes and have the ceremony for your family later How do you do that Who do you contact How can you make your wedding ceremony as Catholic as possible How do you combine different nontraditional actions such as coins veil and cording breaking of the glass jumping the broom salt bread honey dates drinking a cup of wine table ceremonies What is presented here has been a proven formula for success in over 1 900 weddings no need to reinvent the wheel Apply the details of this book and you will be successful in creating the wedding of your dreams
