Sadecky,2024-02-19 Have you awakened your Authentic Infinite Self The awakening has begun and mass disclosure is inevitable For thousands of years humanity has been manipulated into fear based religious organizations that have created subconscious divisions and stagnant monopolies worldwide We have all been lied to about the nature of our divinity and reality We will no longer be enslaved by those who worship religiously dogmatic psychological programming Millions of people are experiencing supernatural upgrades in consciousness and evolutionary inner healing In this book I share my personal true story of spiritual awakening overcoming religious mental programming understanding traumatic relationships and integrating intuitive messages from encounters with celestial beings My wish is that those who read this book will integrate a deeper sense of self worth self compassion inner strength and spiritual sovereignty May the shadows hidden within you be fully accepted nurtured and transmuted into the light of love May your soul awaken to your fullest potential and create the dreams you ve always known were possible

*Connecting with the Arcturians 3* David K. Miller,2018-12-20 The themes of this book focus on the evolution of humanity the next stage of our planetary development the planetary crisis in general and how we as spiritual lightworkers and starseeds can prepare for our future and for the ascension We look at the relationships between

such complex subjects as quantum physics and spirituality and New Age physics to learn how that relates to the higher dimensions and healing techniques that use new terminology such as quantum healing and omega light The Arcturians gladly integrate physics with spirituality Ascension is the transmutation of the physical body into the fifth dimension completing Earth's incarnational cycles They report that the ascension is open to all seekers of higher spiritual truth especially those who are open to cosmic spirituality There is also an extensive glossary to help the reader Overall their messages are hopeful helpful and healing The healings provided through their thinking are relevant personally and planetarily My Pal, Blaise Richard Leviton, 2012-09-04 In 2020 angels of a high order started incarnating on Earth as humans In early 2020 guards at Teotihuacan an archeological site in Mexico find eight fat handwritten notebooks on a ledge at the Palace of the Jaguars They purport to be the journal and maybe last testament of an American age 69 hiding out in the high desert of New Mexico and on the run from intelligence agencies He sums up his life spent with a most unusual colleague named Blaise The journal entries span seven months in 2019 then end as 2020 begins but they cover the history of the Earth Offered in a matter of fact manner the writers' revelations grow increasingly alarming and hard to credit Wormholes on the Earth Pleiadian influence in human evolution Hyperdimensional Light grids Clairvoyant scientists Shapeshifting Ascended Masters Accounts of planetwide psychic access An apparitional theater of mythic figures Angels 60 billion years old on the verge of human incarnation Yet the journals written with warmth fondness and amusement read like the memoir of truly one man's best friend Blaise yet this Blaise is too big too old too vast to be a human What then And who wrote the journals He seems untraceable In 2023 the notebooks passed to Dartmouth College professor Frederick Graham Atkinson Ph D who starting in 2025 prepared them for publication adding helpful editorial notes The journals though never intended for publication by their author and it's a miracle they survived the desert and years in a dusty unused office Dr Atkinson states offer an unusual often inspiring and mostly astonishing report of the inner affairs of planet culture myth humanity the spiritual world and where it's all heading
