## **We Band Of Angels Report:**

**We Band of Angels** Elizabeth Norman, 2013-10-29 In the fall of 1941 the Philippines was a gardenia scented paradise for the American Army and Navy nurses stationed there War was a distant rumor life a routine of easy shifts and dinners under the stars On December 8 all that changed as Japanese bombs began raining down on American bases in Luzon and this paradise became a fiery hell Caught in the raging battle the nurses set up field hospitals in the jungles of Bataan and the tunnels of Corregidor where they tended to the most devastating injuries of war and suffered the terrors of shells and shrapnel But the worst was yet to come After Bataan and Corregidor fell the nurses were herded into internment camps where they would endure three years of fear brutality and starvation Once liberated they returned to an America that at first celebrated them but later refused to honor their leaders with the medals they clearly deserved Here in letters diaries and riveting firsthand accounts is the story of what really happened during those dark days woven together in a deeply affecting saga of women in war Praise for *We Band of Angels* Gripping a war story in which the main characters never kill one of the enemy or even shoot at him but are nevertheless heroes Americans today should thank God we had such women Stephen E Ambrose Remarkable and uplifting USA Today Elizabeth M Norman brings a quiet scholarly voice to this narrative In just a little over six months these women had turned from plucky young girls on a mild adventure to authentic heroes Every page of this history is fascinating Carolyn See The Washington Post Riveting poignant and powerful The Dallas Morning News Winner of the Lavinia Dock Award for historical scholarship the American Academy of Nursing National Media Award and the Agnes Dillon Randolph Award **Summary of Elizabeth Norman's *We Band of Angels*** Everest

Media, 2022-06-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Army Nurse Corps was administered by Captain Maude Davison a career officer and the chief nurse The work was relatively easy and uncomplicated and the women spent their days chatting about the future 2 On December 8 1941 the Japanese attacked Pearl Harbor Hawaii and launched a surprise attack on the United States The war was already on its way to the Philippines 3 On December 8 1941 the Japanese attacked the Philippines The most important military and commercial center in northern Luzon Province was Baguio and the hospital where Ruby Bradley was working was hit 4 After Baguio the Japanese attacked their primary target Clark Air Field and Fort Stotsenberg the main base of the Army Air Corps in the western Pacific The Japanese pilots probably could not believe their luck They had approached cautiously from the South China Sea at 25 000 feet hoping to elude radar and observers on the ground [The Times When Men Must Die: The Story of the Destruction of the Philippine Army During the Early Months of World War II in the Pacific, December 1941-May 1942](#) ,

**On Duty** Frances Ward, 2009-04-15 In 1886 Newark City Hospital opened a training school for nurses in New Jersey With the dawn of a new century women began to demand rights that had been denied them and nurses too demanded changes in health care and higher education For the first time *On Duty* offers a highly readable account of the struggle for professional

autonomy by New Jersey nurses and reveals how their political and legislative battles mirrored the struggle of women throughout the country to redefine their roles in society

*Pure Grit* Mary Cronk Farrell, 2014-02-25 Farrell chronicles the harrowing story of U S Army and Navy nurses based in the Philippines during WWII a memorable portrayal Booklist starred review In the early 1940s young women enlisted for peacetime duty as U S Army nurses But when the Japanese attack on Pearl Harbor in 1941 blasted the United States into World War II 101 American Army and Navy nurses serving in the Philippines were suddenly treating wounded and dying soldiers while bombs exploded all around them The women served in jerry rigged jungle hospitals on the Bataan Peninsula and in underground tunnels on Corregidor Island Later when most of them were captured by the Japanese as prisoners of war they suffered disease and near starvation for three years *Pure Grit* is a story of sisterhood and suffering of tragedy and betrayal of death and life The women cared for one another maintained discipline and honored their vocation to nurse anyone in need all 101 coming home alive The book is illustrated with archival photographs and includes an index glossary and timeline Farrell doesn't spare her young readers any grim details She includes the challenges these women faced and the joy they felt on returning home As awful as history can be now might be the right time to introduce the next generation to this important period The Washington Post Young readers who enjoyed Tanya Lee Stone's *Almost Astronauts 13 Women Who Dared to Dream* will also appreciate this story of courageous women whose story was nearly forgotten School Library Journal

*The Fightin' Texas Aggie Defenders of Bataan and Corregidor* John A. Adams, 2016-04-15 By any measure the battles of Bataan and Corregidor were among the most intensely fought and devastating episodes in the World War II Pacific theater Beginning in early 1942 the Japanese Imperial Army invaded the Philippines in an attempt to control the Pacific region and expand its sphere of influence The defense and last stand of Filipino and American allied forces marked the largest surrender in their respective military histories Their efforts slowed the Japanese advance but only at great cost John A Adams Jr provides a new and compelling exploration of these pivotal events by recounting the history of Bataan and Corregidor through the eyes of 89 soldiers and officers who were former students and citizen soldiers from the Agricultural and Mechanical College of Texas All were products of the Corps of Cadets and indeed no other institution could boast of such a large deployment in the opening of the war While many words have been written on Bataan and Corregidor none have taken the approach of collective biography as *The Fightin Texas Aggie Defenders of Bataan and Corregidor* does here As a result this book is not only a new contribution to the history of World War II but also stands to be a landmark publication on the history of Texas A M University

**Inside the Bataan Death March** Kevin C. Murphy, 2014-09-24 For two weeks during the spring of 1942 the Bataan Death March one of the most widely condemned atrocities of World War II unfolded The prevailing interpretation of this event is simple American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted

their accounts The crucial aspect of memory is central to this study how it is constructed by whom and for what purpose This book questions the prevailing interpretation reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity Among the conclusions is that violence on the march was largely the result of a clash of cultures undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama      **Women Heroes of World War II—the Pacific Theater** Kathryn J.

Atwood,2016-10-01 A Notable Social Studies Trade Book for Young People 2017 Glamorous American singer Claire Phillips opened a nightclub in Manila using the earnings to secretly feed starving American POWs She also began working as a spy chatting up Japanese military men and passing their secrets along to local guerrilla resistance fighters Australian Army nurse Vivian Bullwinkel stationed in Singapore then shipwrecked in the the Dutch East Indies became the sole survivor of a horrible massacre by Japanese soldiers She hid for days tending to a seriously wounded British soldier while wounded herself Humanitarian Elizabeth Choy lived the rest of her life hating war though not her tormentors after enduring six months of starvation and torture by the Japanese military police In these pages readers will meet these and other courageous women and girls who risked their lives through their involvement in the Pacific Theater of Operations during World War II Fifteen suspense filled stories unfold across China Japan Malaya Singapore the Dutch East Indies and the Philippines providing an inspiring reminder of women's and girls refusal to sit on the sidelines around the world and throughout history These women whose stories span 1932 to 1945 the last year of the war served in dangerous roles as spies medics journalists resisters and saboteurs Seven of them were captured and imprisoned by the Japanese enduring brutal conditions Author Kathryn J Atwood provides appropriate context and framing for teens 14 and up to grapple with these harsh realities of war Discussion questions and a guide for further study assist readers and educators in learning about this important and often neglected period of history      **Angel of Bataan** Walter Macdougall,2015-04-22 Alice Zwicker was the only service woman from Maine

to be a prisoner of the enemy in either of the two World Wars But there is more to the story than that Across the nation wherever one of the seventy seven Angels of Bataan returned home there was a hero's welcome Those Army and Navy nurses had shown what American women could do and be even in times of defeat This is Alice's story her growing up in a small Maine town her commitment to the profession of nursing and her immersion in World War II There was Manila Bataan Corregidor and then three long hungry years when she was held prisoner by the Japanese For Alice the terrible legacy of war did not end with her liberation from internment camp or even with her coming home When victory finally arrived for Alice it was achieved in her own soul      We'll Always Have the Movies Robert L. McLaughlin,Sally E. Parry,2006-03-03 An essential study of what Americans watched during wartime and how films shaped their understanding of events Publishers Weekly During the highly charged years of World War II movies perhaps best communicated to Americans who they were and why they were fighting These films were more than just an explanation of historical events they asked audiences to consider the

Nazi threat they put a face on both our enemies and allies and they explored changing wartime gender roles *We'll Always Have the Movies* shows how film after film repeated the narratives character types and rhetoric that made the war and each American's role in it comprehensible Robert L McLaughlin and Sally E Parry have watched more than six hundred films made between 1937 and 1946 including many never before discussed in this context and have analyzed the cultural and historical importance of these films in explaining the war to moviegoers This extensive study shows how filmmakers made the chaotic elements of wartime familiar while actual events became film history and film history became myth A terrific book that explores not only the themes of hundreds of films but also their impact on patriotism and national will in a time of war WWII History *Navy Medicine*, 1999 *Surviving a Japanese Internment Camp* Rupert Wilkinson, 2013-12-03 During World War II the Japanese imprisoned more American civilians at Manila's Santo Tomas prison camp than anywhere else along with British and other nationalities Placing the camp's story in the wider history of the Pacific war this book tells how the camp went through a drastic change from good conditions in the early days to impending mass starvation before its dramatic rescue by U S Army flying columns Interned as a small boy with his mother and older sister the author shows the many ways in which the camp's internees handled imprisonment and their liberation afterwards Using a wealth of Santo Tomas memoirs and diaries plus interviews with other ex internees and veteran army liberators he reveals how children reinvented their own society while adults coped with crowded dormitories evaded sex restrictions smuggled in food and through a strong internee government dealt with their Japanese overlords The text explores the attitudes and behavior of Japanese officials ranging from sadistic cruelty to humane cooperation and asks philosophical questions about atrocity and moral responsibility

**Conduct Under Fire** John A. Glusman, 2006-04-25 The fierce bloody battles of Bataan and Corregidor in the Philippines are legendary in the annals of World War II Those who survived faced the horrors of life as prisoners of the Japanese In *Conduct Under Fire* John A Glusman chronicles these events through the eyes of his father Murray and three fellow navy doctors captured on Corregidor in May 1942 Here are the dramatic stories of the fall of Bataan the siege of the Rock and the daily struggles to tend the sick wounded and dying during some of the heaviest bombardments of World War II Here also is the desperate war doctors and corpsmen waged against disease and starvation amid an enemy that viewed surrender as a disgrace To survive the POWs functioned as a family But the ties that bind couldn't protect them from a ruthless counteroffensive waged by American submarines or from the B 29 raids that burned Japan's major cities to the ground Based on extensive interviews with American British Australian and Japanese veterans as well as diaries letters and war crimes testimony this is a harrowing account of a brutal clash of cultures of a race war that escalated into total war Like *Flags of Our Fathers* and *Ghost Soldiers* *Conduct Under Fire* is a story of bravery on the battlefield and ingenuity behind barbed wire one that reveals the long shadow the war cast on the lives of those who fought it *A Defense Weapon Known to be of Value* Linda Witt, 2005 A superb work of historical recovery that examines the multiple roles of women in the U S military and its
