*Classic Keys* Alan S. Lenhoff, David E. Robertson, 2019-12-09 Classic Keys is a beautifully photographed and illustrated book focusing on the signature rock keyboard sounds of the 1950s to the early 1980s It celebrates the Hammond B 3 organ Rhodes and Wurlitzer electric pianos the Vox Continental and Farfisa combo organs the Hohner Clavinet the Mellotron the

Minimoog and other famous and collectable instruments From the earliest days of rock music the role of keyboards has grown dramatically Advancements in electronics created a crescendo of musical invention In the thirty short years between 1950 and 1980 the rock keyboard went from being whatever down on its luck piano awaited a band in a bar or concert hall to a portable digital orchestra It made keyboards a centerpiece of the sound of many top rock bands and a handful of them became icons of both sound and design Their sounds live on Digitally in the memory chips of modern keyboards and in their original form thanks to a growing group of musicians and collectors of many ages and nationalities Classic Keys explores the sound lore and technology of these iconic instruments including their place in the historical development of keyboard instruments music and the international keyboard instrument industry Twelve significant instruments are presented as the chapter foundations together with information about and comparisons with more than thirty six others Included are short profiles of modern musicians composers and others who collect use and prize these instruments years after they went out of production Both authors are avid musicians collect and restore vintage keyboards and are well known and respected in the international community of web forums devoted to these instruments     **Sound International** ,1981     Handmaidens of Rock Linda Gould,2014-10-02 It is the late 1960s and Jimi Hendrix is at the height of his career America is undergoing political and social upheaval and a rock and roll band is shaking the rafters of its suburban Maryland high school As Preston the founder and lead guitarist of Homegrown cranks out the tunes with keyboardist Neal and drummer Brad three girls appoint themselves as the band s official groupies without any idea of what lies ahead for any of them After the band members sign with a management company and make the controversial decision to replace popular Brad with another drummer they decide to pursue a dubious lead in England accompanied by the girls who love them Candy an aspiring journalist Hope wannabe model and fashion designer and Theda a thespian with big dreams As their journey takes them to Europe and back again the girls challenged by love rivals partying lifestyles and the growing stardom of the musicians remain determined not to be mere handmaidens of rock But it is not until Brad embarks on a vengeful quest at a festival that the three finally have the opportunity to prove their worth as grown women Handmaidens of Rock is the compelling tale of three high school girls who attach themselves to a rock and roll band in the late 1960s and embark on a wild adventure across the world     **Introduction to the Music Industry** Catherine Fitterman Radbill,2016-09-01 Introduction to the Music Industry An Entrepreneurial Approach Second Edition is an introductory textbook that offers a fresh perspective in one of the fastest changing businesses in the world today It engages students with creative problem solving activities collaborative projects and case studies as they explore the inner workings of the music business while encouraging them to think like entrepreneurs on a path toward their own successful careers in the industry This new edition includes a revised chapter organization with chapters streamlined to focus on topics most important to music business students while also maintaining its user friendly chapter approach Supported by an updated companion website this book equips music business

*David Bowie FAQ* Ian Chapman, 2020-03-06 David Bowie was one of the world s most famous rock stars But as *David Bowie FAQ* shows he was also far more than that After spending the latter part of the 1960s searching for the best medium through which to express his artistic aspirations and trying out several performing arts in the process he experienced fleeting but significant success in music with the top ten UK hit *Space Oddity* released at the time of the successful Apollo 11 moon landing in 1969 Subsequently he achieved true international fame in the early 1970s through playing the role of the androgynous alien rock star Ziggy Stardust From here he went on to a career that spanned five decades exploring numerous artistic disciplines challenging societal mores and conventions and building a platform of constant change and reinvention Whereas most rock stars would find a winning formula and rigidly stick to it to avoid alienating their fans David Bowie made stylistic variation his cornerstone an entirely new and model for rock stardom But David Bowie was more than a rock star Reflecting an approach to art that knew no boundaries he also made his mark in movie acting legitimate stage acting and more There was a unifying factor in all of the roles he played regardless of medium because even from childhood he d felt himself to be an outsider alienated and estranged Bowie s fans quickly recognized this quality in him and it created a bond that went far beyond the usual star fan relationship Through David Bowie fans found themselves able to accept their sense of difference as a positive thing rather than a negative one David Bowie didn t simply entertain people he empowered them
