Friends James Ottley,2011-07-18 In a world where most people believe that they are always right it has become increasingly difficult for productive conversation to take place I am proposing that an informal salutation introduction communication needs to take place This should be followed by an intentional invitation for dialogue on an equal playing field where trust generosity can be developed and be evident in transparency at every level In an interrelated and interconnected world productive action is possible if we act with wisdom and with a firm commitment toward peace and justice for all I believe that hello wisdom hospitality trust generosity and action is the way forward **After We Kill You, We Will Welcome You**

Back as Honored Guests Ted Rall,2025-08-22 An unflinching account in words and pictures of America s longest war by our most outspoken graphic journalist Ted Rall traveled deep into Afghanistan without embedding himself with U S soldiers without insulating himself with flak jackets and armored SUVs where no one else would go except of course Afghans He made two long trips the first in the wake of 9 11 and the next ten years later to see what a decade of U S occupation had wrought On the first trip he shouted his dispatches into a satellite phone provided by a Los Angeles radio station attempting to explain that the booming in the background and sometimes the foreground were the sounds of an all out war that no one at home would entirely own up to Ten years later the alternative newspapers and radio station that had financed his first trip could no longer afford to send him into harm s way so he turned to Kickstarter to fund a groundbreaking effort to publish online a real time blog of graphic journalism essentially a nonfiction comic documenting what was really happening on the ground filed daily by satellite The result of this intrepid reporting is *After We Kill You We Will Welcome You Back as Honored Guests* a singular account of one determined journalist s effort to bring the realities of life in twenty first century Afghanistan to the world in the best way he knows how a mix of travelogue photography and award winning comics **We Will Seek**

Playbook If We Follow Jesus, He Will Lead Us Out of Christianity and Into Messianic Judaism Donald Werner,2020-02-03
Beginning around the 4th Century the Christian church accelerated its downhill slide into apostasy Today the Christian church is nothing at all what we read about in the Book of Acts and that is because it has set aside Jesus teachings to follow the teachings of Paul Jesus teachings and Paul s teaching are polar opposites and cannot be reconciled regardless of how hard the church tries to gloss over the differences Today s Christian Church bases its doctrines on Paul s writings to the exclusion of Jesus words And because they have set Jesus words aside they have reject God s Torah law which Jesus told us to

keep and that leads to many other problems And as a result today the Christian church is divided into hundreds of sects and it is confused and weak Christians following those corrupt doctrines are lawless which means God does not answer their prayers Proverbs 28 9 and they worship in vain Mark 7 7 9 Read this book to learn much more and what we must do to be among the redeemed **Vietnam, when Will We Get a Full Accounting** United States.
